Portfolio

Projects, Designs & Programs

by:johniedelOriondo_

Investagrams App

Tasks Assigned:

- Home Screen Revamp
- Deep Linking
- Portfolio Revamp
- Asset Info Screen Revamp
- Community Screen Revamp
- Maintenance

InvestaMF App

- Onboarding feature update
- Wallet feature update
- Maintenance

InvestaTrade App

- Push Notification feature
- Notification redirection
- Maintenance

INVESTAGRAMS Mobile Applications

- Framework: React Native
- Platform: Android, Huawei and iOS

Idol Shopping Network App

- Online shopping network
- Last handled version: **v1.0.12**
- Status : **Published**
- Published date : Nov 2022
- Started date : Oct 2021

Published at:

- Google Consoles
- iOS

Google Consoles:
https://play.google.com/store/apps/details?id=com.isnmobapp&hl=en&gl=US&pli=1

Spanda App (Client)

- Online massage service booking

features(done):
- Address Pinning (MapBox)
- CRUD Address
- Login&Register
- TermOfUse
- Search Therapist
- Auto Select Therapist
- Service Price Computation
- Confirm Booking

App Video:
https://drive.google.com/file/d/1JYmRVuxlvncwAimOgif7Tn-msQphtjuR/view?usp=sharing

SUNMOONTECH Mobile Applications

- Framework: React Native

Music Player *(Beta)*

- intended for audio files
- user can set background image
- animated background image

Unit Converter

- unit conversion app
- numeric

Khaldeng

- endless runner
- mobile game

Pagna *(Pedometer) (Beta)*

- counts/computes user steps, distance traveled and pace.
